

Road of life test

Instructions: Sit down alone and undisturbed from your partner. Answer each question honestly. Usually the first answer that comes to mind is the correct answer. You should try to put at least 20 words for each answer. This will provide more clarity. After you have finished, place this in a sealed envelope. Then have your partner do the test and place in a sealed envelope. Then sit down together and open each others envelopes.

What was important to you 10 years ago?

What was important to you 5 years ago?

What was important to you 3 years ago?

What was important to you 1 year ago?

What is important to you today?

What do you want to be doing 1 year from now?

What do you want to be doing 3 years from now?

What do you want to be doing 5 years from now?

What do you want to be doing 10 years from now?
